Board election

Toronto, Ontario, June 19, 2008. Roxmark Mines Limited (TSXV – RMK) today announced that David Malouf was not re-elected to the Board of Directors of the Company and has relinquished his position as Vice-Chairman, Business Development of the Company to pursue other opportunities.

About Roxmark Mines

Roxmark Mines Limited is the leader in gold and molybdenum exploration and development in the historically significant Geraldton-Beardmore area of Northwest Ontario. In recent years, Roxmark has generated cash flow from bulk-sampled gold and molybdenum processed at its fully-permitted mill and has the advantage of infrastructure from six formerly highly productive gold mines located on its properties. These mines previously produced nearly two million ounces of gold from high-grade ore but were closed primarily due to dramatically lower gold prices at the time and to boundary issues, since eliminated.
